## General Information

### Introduction

#### 1. Eligible Tenderers

- 1.1 This Invitation for Tenders is open to all tenderers eligible as described in the tender documents. Successful tenderers shall provide **construction services** for the stipulated duration from the date of commencement (hereinafter referred to as the term) specified in the tender documents.
- 1.2 Tenderers shall provide the qualification information statement that the tenderer (including all members of a joint venture and subcontractors) is not associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Procuring entity to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the services under this Invitation for Tenders.
- 1.3 Tenderers shall not be under a declaration of ineligibility for corrupt and fraudulent practices.

#### 2. Eligible materials and spares

- 2.1 All consumable materials and spares used under the contract shall have their origin in eligible source countries.
- 2.2 For purposes of this clause, “origin” means the place where the materials are mined, grown, or produced. Materials are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially-recognized product results that is substantially different in basic characteristics or in purpose or utility from its components.
- 2.3 The origin of materials is distinct from the nationality of the tenderer.

#### 3. Cost of Tendering

The Tenderer shall bear all costs associated with the preparation and submission of its tender, and the procuring entity, will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the tendering process

## **The Tender Document**

### **4 Contents**

4.1 The tender document comprises the documents listed below and addenda issued in accordance with clause 6 of the instructions to tenders.

- (i) Invitation for Tenders
- (ii) General information
- (iii) General Conditions of Contract
- (iv) Special Conditions of Contract
- (v) Schedule of Requirements
- (vi) Technical Specifications
- (vii) Tender Form and Price Schedules
- (viii) Tender Security Form
- (ix) Contract Form
- (x) Performance Security Form
- (xi) Bank Guarantee for Advance Payment Form

4.2 The Tenderer is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information required by the tender documents or to submit a tender not substantially responsive to the tender documents in every respect will be at the tenderers risk and may result in the rejection of its tender.

### **5. Clarification of Documents**

5.1 A prospective tenderer requiring any clarification of the tender document may notify the Procuring entity in writing or by cable (hereinafter, the term *cable* is deemed to include telex and facsimile) at the entity's address indicated in the Invitation for tenders. The Procuring entity will respond in writing to any request for clarification of the tender documents, which it receives no later than seven (7) days prior to the deadline for the submission of tenders, prescribed by the procuring entity. Written copies of the Procuring entities response (including an explanation of the query but without identifying the source of inquiry) will be sent to all prospective tenderers who have received the tender document.

### **6. Amendment of Documents**

6.1 At any time prior to the deadline for submission of tenders, the Procuring entity, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, may modify the tender documents by amendment.

6.2 All prospective candidates who have received the tender documents will be notified of the amendment in writing or by cable, and such amendment will be binding on them.

6.3 In order to allow prospective tenderers reasonable time in which to take the amendment into account in preparing their tenders, the Procuring entity, at its discretion, may extend the deadline for the submission of tenders.

## **Preparation of Tenders**

### **7. Language of Tender**

7.1 The tender prepared by the tenderer, as well as all correspondence and documents relating to the tender exchanged by the tenderer and the Procuring entity, shall be written in English language, provided that any printed literature furnished by the tenderer may be written in another language provided they are accompanied by an accurate English translation of the relevant passages in which case, for purposes of interpretation of the tender, the English translation shall govern.

### **8. Documents Comprising the Tender**

8.1 The tender prepared by the tenderer shall comprise the following components:

- (a) A Tender Form and a Price Schedule completed in accordance with paragraph 9, 10 and 11 below.
- (b) Documentary evidence established in accordance with paragraph 12 that the tenderer is eligible to tender and is qualified to perform the contract if its tender is accepted;
- (c) Documentary evidence established in accordance with paragraph 13 that the materials and spares to be used by the tenderer for the services contract conform to the tender documents; and
- (d) Tender Security furnished is in accordance with paragraph 14

### **9. Tender Form**

9.1 The tenderer shall complete the Tender Form and the appropriate Price Schedule furnished in the tender documents, indicating the services to be performed, a brief description of the materials and spares, their country of origin, quantity, and prices.

### **10. Tender Prices**

10.1 The tenderer shall indicate on the appropriate Price Schedule the unit prices and total tender price of the services it proposes to provide under the contract.

10.2 Prices indicated on the Price Schedule shall be the cost of the services quoted including all customs duties and VAT and other taxes payable:

10.3 Prices quoted by the tenderer shall be fixed during the Term of the contract and not subject to variation on any account. A tender submitted with an adjustable price quotation will be treated as non-responsive and will be rejected, pursuant to paragraph 22.

## **11. Tender Currencies**

11.1 Prices shall be quoted in the following currencies:

- (a) For services which involve materials and spares that the tenderer will supply from within Kenya, the prices shall be quoted in Kenya shillings; and
- (b) For services which involve materials and spares that the tenderer will supply from outside Kenya, the prices shall be quoted in US dollars or in another freely convertible currency.

## **12. Tenderers Eligibility and Qualifications.**

12.1 Pursuant to paragraph 1 of section C, the tenderer shall furnish, as part of its tender, documents establishing the tenderers eligibility to tender and its qualifications to perform the contract if its tender is accepted.

12.3 The documentary evidence of the tenderers qualifications to perform the contract if its tender is accepted shall establish to the Procuring entity's satisfaction that the tenderer has the financial and technical capability necessary to perform the contract.

## **13. Materials' Eligibility Conformity to Tender Document.**

13.1 Pursuant paragraph 2 of this section, the tenderer shall furnish, as part of its tender, documents establishing the eligibility and conformity to the tender documents of all materials and spares which the tenderer proposes to use under the contract.

13.2 The documentary evidence of the eligibility of the materials and spares shall consist of a statement in the Price Schedule of the country of origin of the materials and spares offered which shall be confirmed by a certificate of origin issued at the time of shipment.

13.3 The documentary evidence of conformity of the materials and spares to the tender documents may be in the form of literature, drawings, and data, and shall consist of:

- (a) a detailed description of the essential technical and performance characteristics of the materials and spares;
- (b) a clause-by-clause commentary on the Procuring entity's Technical Specifications demonstrating substantial responsiveness of the services to those specifications, or a statement of deviations and exceptions to the provisions of the Technical Specifications.

13.4 For purposes of the commentary to be furnished pursuant to paragraph 13.3(b) above, the tenderer shall note that standards for workmanship, material, and equipment, as well as references to brand names or catalogue numbers designated by the Procurement entity in its Technical Specifications, are intended to be descriptive only and not restrictive.

The tenderer may substitute alternative standards, brand names, and/or catalogue numbers in its tender, provided that it demonstrates to the Procurement entity's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

## **14. Tender Security**

- 14.1 The tenderer shall furnish, as part of its tender, a tender security for the amount specified in the Invitation to tender.
- 14.2 The tender security is required to protect the Procuring entity against the risk of Tenderer's conduct which would warrant the security's forfeiture, pursuant to paragraph 14.7
- 14.3 The tender security shall be denominated in Kenya Shillings or in another freely convertible currency, and shall be in the form of a bank guarantee or a bank draft issued by a reputable bank located in Kenya or abroad, in the form provided in the tender documents or another form acceptable to the Procuring entity and valid for thirty (30) days beyond the validity of the tender.
- 14.4 Any tender not secured in accordance with paragraph 14.1 and 14.3 will be rejected by the Procuring entity as non responsive, pursuant to paragraph 22.
- 14.5 Unsuccessful Tenderer's tender security will be discharged or returned as promptly as possible but not later than thirty (30) days after the expiration of the period of tender validity prescribed by the Procuring entity.
- 14.6 The successful Tenderer's tender security will be discharged upon the tenderer signing the contract, pursuant to paragraph 30, and furnishing the performance security, pursuant to paragraph 31.
- 14.7 The tender security may be forfeited:
- (a) if a tenderer withdraws its tender during the period of tender validity specified by the procuring entity on the Tender Form; or
  - (b) in the case of a successful tenderer, if the tenderer fails:
    - (i) To sign the contract in accordance with paragraph 30
    - or**
    - (ii) To furnish performance security in accordance with paragraph 31.

## **15. Validity of Tenders**

- 15.1 Tenders shall remain valid for **120 days** or as specified in the tender documents after date of tender opening prescribed by the Procuring entity, pursuant to paragraph 18. A tender valid for a shorter period shall be rejected by the Procuring entity as nonresponsive.
- 15.2 In exceptional circumstances, the Procuring entity may solicit the Tenderer's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. The tender security provided under paragraph 14 shall also be suitably extended. A tenderer may refuse the request without forfeiting its tender security. A tenderer granting the request will not be required nor permitted to modify its tender.

## **16. Format and Signing of Tender**

- 16.1 The tenderer shall prepare two copies of the tender, clearly marking each “ORIGINAL TENDER” and “COPY OF TENDER,” as appropriate. In the event of any discrepancy between them, the original shall govern
- 16.2 The original and all copies of the tender shall be typed or written in indelible ink and shall be signed by the tenderer or a person or persons duly authorized to bind the tenderer to the contract. The latter authorization shall be indicated by written power-of-attorney accompanying the tender. All pages of the tender, except for unamended printed literature, shall be initialed by the person or persons signing the tender.
- 16.3 The tender shall have no interlineation, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.

### **Submission of Tenders**

## **17. Sealing and Marking of Tenders**

- 17.1 The tenderer shall seal the original and each copy of the tender in separate envelopes, duly marking the envelopes as “ORIGINAL” and “COPY.” The envelopes shall then be sealed in an outer envelope.

- 17.2 The inner and outer envelopes shall :

- (a) be addressed to the Procuring entity at the following address:

*County Secretary,  
Kiambu County Government,  
P.O. Box 2344, 00900  
Kiambu*

- (b) **CONSTRUCTION OF NDIUNI EARTH DAM (53,000M<sup>3</sup>).** The Invitation for Tenders (IFT) and the words: **“DO NOT OPEN BEFORE 6<sup>th</sup> November 2017 at 11:00 am.**

- 17.3 The inner envelopes shall also indicate the name and address of the tenderer to enable the tender to be returned unopened in case it is declared “late”.

- 17.4 If the outer envelope is not sealed and marked as required by paragraph 17.2, the Procuring entity will assume no responsibility for the tender’s misplacement or premature opening.

## **18. Deadline for Submission of Tenders**

- 18.1 Tenders must be received by the Procuring entity at the address specified under paragraph 15.2 no later than **6<sup>th</sup> November, 2017 at 11:00 AM.**

18.2 The Procuring entity may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents in accordance with paragraph 6, in which case all rights and obligations of the Procuring entity and candidates previously subject to the deadline will thereafter be subject to the deadline as extended.

## **19. Modification and Withdrawal of Tenders**

19.1 The tenderer may modify or withdraw its tender after the tender's submission, provided that written notice of the modification, including substitution or withdrawal of the tenders, is received by the Procuring prior to the deadline prescribed for submission of tenders.

19.2 The Tenderer's modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of paragraph 17. A withdrawal notice may also be sent by cable, but followed by a signed confirmation copy, postmarked not later than the deadline for submission of tenders.

19.3 No tender may be modified after the deadline for submission of tenders.

19.4 No tender may be withdrawn in the interval between the deadline for submission of tenders and the expiration of the period of tender validity specified by the tenderer on the Tender Form. Withdrawal of a tender during this interval may result in the Tenderer's forfeiture of its tender security, pursuant to paragraph 14.7.

## **20 Preliminary Examination**

20.1 The Procuring entity will examine the tenders to determine whether they are complete, Whether required sureties have been furnished, whether the documents have been properly Signed, whether there is statutory compliance and whether the tenders are generally in order.

20.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the candidate does not accept the correction of the errors, its tender will be rejected, and its tender security may be forfeited. If there is a discrepancy between words and figures, the amount in words will prevail.

20.3 The Procuring entity may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.

## **21 Tenderer's Responsiveness**

21.1 Prior to the detailed evaluation, pursuant to paragraph 21, the Procuring entity will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one which conforms to all the terms and conditions of the tender documents without material deviations. The Procuring entity's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

21.2 If a tender is not substantially responsive, it will be rejected by the Procuring entity and may not subsequently be made responsive by the tenderer by correction of the non-conformity.

## 22 Opening and Evaluation of Tenders

**22.1** The Procuring entity will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to paragraph 21.

**22.2** In addition, the bidders will be evaluated on the following:-

### QUALIFICATION FOR TENDERING

  - j. For special groups a copy of the applicable certificate to be provided ie youth, women and disadvantaged groups
  - k. Two **serialized** copies of the bid document clearly marked ORIGINAL and COPY being **properly bound**.
1. Bidders **will** first be evaluated on responsiveness in **mandatory** requirements. whereas in the technical evaluation it **will** be conducted to those bidders who will be responsive in the mandatory evaluation.
  2. Only those bidders who score **85%** in the technical evaluation **shall** proceed to financial evaluation., where award **will** be made to the **lowest** evaluated responsive bidder.

**23** The comparison shall be of the price to include all costs, as well as duties and taxes payable on all the materials to be used in the provision of the services.

**23.1** The Procuring entity's evaluation of a tender will take into account, in addition to the Tender price, the following factors, in the manner and to the extend indicated in Paragraph 22.2 and in the technical specifications:-

- a) Operational plan proposed in the tender;
- b) Payment schedule;

**23.2** Pursuant to paragraph 23.1 the following evaluation methods will be applied:

**a) Operational Plan**

The Procuring entity requires that the services under the Invitation for Tenders shall be performed at the time specified in the Schedule of requirements.

Tenders offering to perform longer than the procuring entity's required delivery time will be treated as non-responsive and rejected.

**b) Payment Schedule**

Tenderers shall state their tender price and terms for the payment. Tenderers will be evaluated on the basis of this base price.

**4 Contacting the Procuring entity**

**24.1** Subject to paragraph 19, no tenderer shall contact the Procuring entity on any matter relating to its tender, from the time of the tender opening to the time the contract is awarded.

**24.2** Any effort by a tenderer to influence the Procuring entity in its decisions on tender evaluation, tender comparison, or contract award may result in the rejection of the Tenderer's tender.

**Award of Contract**

**25. Post-qualification**

25.1 In the absence of pre-qualification, the Procuring entity will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

25.2 The determination will take into account the tenderer financial and technical capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 12.3, as well as such other information as the Procuring entity deems necessary and appropriate.

25.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the Procuring entity will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

**26. Award Criteria**

26.1 Subject to paragraph 10,23 and 28 the Procuring entity will award the contract to the successful tenderer whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

## **27. Procuring entity's Right to Vary quantities**

27.1 The Procuring entity reserves the right at the time of contract award to increase or decrease the quantity of services originally specified in the Schedule of requirements without any change in unit price or other terms and conditions.

## **28. Procuring entity's Right to Accept or Reject Any or All Tenders**

28.1 The Procuring entity reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for the Procuring entity's action.

## **29. Notification of Award**

29.1 Prior to the expiration of the period of tender validity, the Procuring entity will notify the successful tenderer in writing that its tender has been accepted.

29.2 The notification of award will constitute the formation of the Contract.

29.3 Upon the successful Tenderer's furnishing of the performance security pursuant to paragraph 31, the Procuring entity will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to paragraph 14.

## **30. Signing of Contract**

30.1 At the same time as the Procuring entity notifies the successful tenderer that its tender has been accepted, the Procuring entity will send the tenderer the Contract Form provided in the tender documents, incorporating all agreements between the parties.

30.2 Within thirty (30) days of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to the Procuring entity.

## **31. Performance Security**

31.1 Within thirty (30) days of the receipt of notification of award from the Procuring entity, the successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to the Procuring entity.

31.2 Failure of the successful tenderer to comply with the requirement of paragraph 30 or paragraph 31 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event the Procuring entity may make the award to the next lowest evaluated Candidate or call for new tenders.

## **32. Corrupt Fraudulent Practices**

32.1 The Procuring entity requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. In pursuance of this policy, the Procuring entity:-

- (a) defines, for the purposes of this provision, the terms set forth below as follows:
  - (i) “corrupt practice” means the offering, giving, receiving or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution; and
  - (ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring entity, and includes collusive practice among tenderer (prior to or after tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the Procuring entity of the benefits of free and open competition;
- (b) will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;
- (c) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded any contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a contract.

32.2 Furthermore, tenderers shall be aware of the provision stated in the General Conditions of Contract.

# Section D-General Conditions of Contract

## 1. Definitions

1.1 In this Contract, the following terms shall be interpreted as indicated:

- (a) “The Contract” means the agreement entered into between the Procuring entity and the tenderer, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- (b) “The Contract Price” means the price payable to the tenderer under the Contract for the full and proper performance of its contractual obligations.
- (c) “The services” means services to be provided by the tenderer including materials and spare parts which the tenderer is required to provide to the Procuring entity under the Contract.
- (d) “The Procuring entity” means the organization sourcing for the services under this Contract.
- (e) “The tenderer” means the individual or firm providing the services under this Contract.

## 2. Application

2.1 These General Conditions shall apply in all Contracts made by the Procuring entity for the procurement of services.

## 3. Country of Origin

3.1 For purposes of this Clause, “origin” means the place where the consumable materials and spares used for the provision of services were mined, grown, or produced.

3.2 The origin of Materials is distinct from the nationality of the tenderer.

## 4. Standards

4.1 The services provided under this Contract shall conform to the standards mentioned in the Technical Specifications.

## 5. Use of Contract Documents and Information

5.1 The Candidate shall not, without the Procuring entity’s prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Procuring entity in connection therewith, to any person other than a person employed by the tenderer in the performance of the Contract.

5.2 The tenderer shall not, without the Procuring entity’s prior written consent, make use of any document or information enumerated in paragraph 5.1 above.

- 5.3 Any document, other than the Contract itself, enumerated in paragraph 5.1 shall remain the property of the Procuring entity and shall be returned (all copies) to the Procuring entity on completion of the Tenderer's performance under the Contract if so required by the Procuring entity.

## **6. Patent Rights**

- 6.1 The tenderer shall indemnify the Procuring entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the services or any part thereof in the Procuring entity's country.

## **7. Performance Security**

- 7.1 Within thirty (30) days of receipt of the notification of Contract award, the successful tenderer shall furnish to the Procuring entity the performance security in the amount specified in Special Conditions of Contract.
- 7.2 The proceeds of the performance security shall be payable to the Procuring entity as compensation for any loss resulting from the Tenderer's failure to complete its obligations under the Contract.
- 7.3 The performance security shall be denominated in the currency of the Contract, or in a freely convertible currency acceptable to the Procuring entity and shall be in the form of a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in Kenya or abroad, acceptable to the Procuring entity, in the form provided in the tender documents.
- 7.4 The performance security will be discharged by the Procuring entity and returned to the Candidate not later than thirty (30) days following the date of completion of the Tenderer's performance obligations under the Contract, including any warranty obligations, under the Contract.

## **8. Inspection and Tests**

- 8.1 The Procuring entity or its representative shall have the right to inspect and/or to test the services to confirm their conformity to the Contract specifications. The Procuring entity shall notify the tenderer in writing, in a timely manner, of the identity of any representatives retained for these purposes.
- 8.2 The inspections and tests may be conducted on the premises of the tenderer or its subcontractor(s). If conducted on the premises of the tenderer or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Procuring entity.
- 8.3 Should any inspected or tested services fail to conform to the Specifications, the Procuring entity may reject the services, and the tenderer shall either replace the rejected services or make alterations necessary to meet specification requirements free of cost to the Procuring entity.

8.5 Nothing in paragraph 8 shall in any way release the tenderer from any warranty or other obligations under this Contract.

## **12. Payment**

12.1 The method and conditions of payment to be made to the tenderer under this Contract shall be specified in Special Conditions of Contract.

12.2 Payments shall be made promptly by the Procuring entity as specified in the contract.

## **13. Prices**

13.1 Prices charged by the tenderer for Services performed under the Contract shall not, with the exception of any price adjustments authorized in Special Conditions of Contract, vary from the prices by the tenderer in its tender.

## **14. Assignment**

14.1 The tenderer shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Procuring entity's prior written consent.

## **15. Subcontracts**

15.1 The tenderer shall notify the Procuring entity in writing of all subcontracts awarded under this Contract if not already specified in the tender. Such notification, in the original tender or later, shall not relieve the tenderer from any liability or obligation under the Contract.

## **16. Termination for Default**

16.1 The Procuring entity may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the tenderer, terminate this Contract in whole or in part:

- (a) if the tenderer fails to provide any or all of the services within the period(s) specified in the Contract, or within any extension thereof granted by the Procuring entity.
- (b) if the tenderer fails to perform any other obligation(s) under the Contract.
- (c) if the tenderer, in the judgment of the Procuring entity has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

16.2 In the event the Procuring entity terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, services similar to those undelivered, and the tenderer shall be liable to the Procuring entity for any excess costs for such similar services.

## **17. Liquidated Damages**

17.1 If the tenderer fails to provide any or all of the services within the period(s) specified in the contract, the procuring entity shall, without prejudice to its other remedies under the contract, deduct from the contract prices liquidated damages sum equivalent to 0.5% of the price of the unperformed services up to a maximum deduction of 10% of the unperformed services. After this the procuring entity may consider termination of the contract.

## **18. Resolution of Disputes**

18.1 The procuring entity and the tenderer shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the contract

18.2 If, after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute the provisions of the Arbitration Act of the Laws of Kenya shall apply.

## **19. Language and Law**

19.1 The language of the contract and the law governing the contract shall be English language and the Laws of Kenya respectively unless otherwise stated.

## **20. Force Majeure**

20.1 The tenderer shall not be liable for forfeiture of its performance security, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

## Section E. Special Conditions of Contract

- Drawings showing how various components of the proposed system shall be put together to accomplish requirements of the contract.

#### **Health and Safety**

The tenderer shall observe all necessary health and safety standards and shall keep the Procuring Entity indemnified of any blame for any accidents arising of out of poor site safety program or negligence on site during execution of the contract. All workers on site shall be provided with the necessary safety gear before commencement of work.

#### **Delivery period**

Due to the nature of this contract, the delivery period for the installation shall be 180 working days. This expedient period shall cover design, submittal approval, and procurement, delivery on site, installation, testing, commissioning and end user training.

# TECHNICAL SPECIFICATIONS

The dam, foundation, and abutments must be stable under all static and dynamic loading Conditions:-

- 1.0) Seepage through the foundation, abutments, and embankment must be controlled and collected to ensure safe operation. The intent is to prevent excessive uplift pressures, piping of materials, sloughing removal of material by solution, or erosion of this material into cracks, joints, and cavities. In addition, the project purpose may impose a limitation on allowable quantity of seepage. The design should include seepage control measures such as foundation cutoffs, adequate and non brittle impervious zones, transition zones, drainage material and blankets, upstream impervious blankets, adequate core contact area, and relief wells.
- 2.0) The freeboard must be sufficient to prevent overtopping by waves and include an allowance for settlement of the foundation and embankment.
- 3.0) The spillway and outlet capacity must be sufficient to prevent over-topping of the embankment by the reservoir.
- 4.0) Environmental responsibility.

## **BILLS OF QUANTITIES**

- The price must be inserted in INK and any price omitted from the items listed shall be deemed to have been included in another
- The price shall include the obligations of the tenderer including but not limited to Design, preparation of submittal packages, getting system approval from the procurement entity, procurement of approved system, supervision needed during installation of the system, testing and commissioning, end user training, running a 12 months warranty after acceptance of the system by the procuring entity, provision of As-built drawings operation and maintenance manuals.
- This bill of quantities forms part of the contract documents and is to be read in conjunction with the conditions of contract, specifications and drawings.
- The quantities set forth in the bills of quantities are believed to represent the character of work to be carried out and are given for the purpose of enabling the procurement entity to compare tenders on equal basis. There is no guarantee to the tenderer that he will be required to carry out the quantities of work indicated under any one particular item or group of items in the bill of quantities.
- The prices and rates inserted in the Bills of Quantities will be used for valuing the work executed in accordance with the contract.
