Hon Kabogo is an astute manager of public and private finances, his leadership resulted in the administration of the Juja Constituency Development Fund being recently ranked 5th in the country. Being an astute manager of public and private finances, his leadership resulted in the administration of the Juja Constituency Development Fund being recently ranked 5th in the country. He has initiated numerous development projects including the construction of new health centers, new classrooms and schools. Drilling boreholes – water for local communities and supplying electricity (rural electrification '*Umeme Pamoja Schemes*'). Construction of modern Admin Police houses, *boda boda* and *Jua Kali sheds*, drainage and sewerage systems and establishment of fishponds. He ensured that every civic ward had a new primary and secondary school with modern sanitation facilities. He has helped many needy constituents.

Mr. Gakuha, who has extensive international and local business leadership experience in multinational business and project management, that he will apply to public service complements Hon Kabogo perfectly.
